

January 29th at 6.00 for 6.30pm

POLISH HEARTH CLUB
55 Princes Gate, London SW7 2PN

PLEASE RSVP: jaynepickering@yahoo.com

'SUMUD - ROOTED IN THE WEST BANK' is a unique documentary spanning 25 years in the life of Atta Jaber, a Palestinian farmer in the occupied West Bank, in his struggle to keep his little farm in the face of Israeli settlers bent on taking his land. But Atta brings a deeply moving message of love through resilience and hope.

The screening will be followed by a live discussion with the filmmakers and with Atta Jaber, from the West Bank.
